To Whom It May Concern,

This letter is regarding: Sharan Thakur

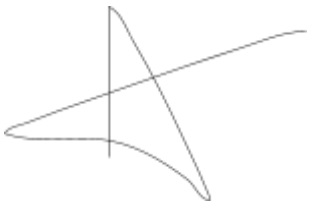

I confirm that they volunteered at our Season 12 Berlin E-Prix Formula E Race. Volunteers' commitment varied between the 29th of April and the 3rd of May 2026. They were selected to be part of our Volunteer Programme and volunteered with us under an Event Experience Role in our Fan Village, helping manage the fan experience.

This Volunteer dedicated their time and went above and beyond for the spectator's experience, delivering their role with exceptional energy.
